

UNIFORM POLICY

2025-2026

PURPOSE

At Concordia, the school uniform is a symbol of belonging, equality, and pride in our community. It celebrates our shared identity, encourages students to take pride in their appearance, and creates the best conditions for learning. By wearing the uniform with care, students contribute to a positive school culture built on respect, unity, and excellence.

SCOPE

This policy applies to all pupils in Maternelle, Primary, and Collège. We count on all families to act together, as the success of the uniform policy relies on consistency and collective commitment.

Shoes

While there is no official school shoe available, please note **that trainers are not permitted at school and that shoes should be black or dark grey.**

There may be some tolerance for discreet black or dark grey trainers without visible branding, logo, or white/light details; however, these must be validated by the Leadership and may be refused if they are not in keeping with the school's uniform philosophy, as articulated above under *Purpose*.

In addition, in Maternelle and Primary we ask for shoes without laces, so that children are able to put them on independently.

Coat

There is no official school coat. Families are therefore free to choose their own. We encourage parents to select a smart and simple coat in keeping with the school's smart presentation.
